

## Heaven (Spanish Edition)

Bethany, un angel enviado a la tierra, y su novio mortal, Xavier, han estado en el Infierno y han conseguido volver. Sin embargo, ahora su amor se sometera al examen mas duro, ya que desafiaran las leyes del Cielo al casarse. No se lo cuentan ni siquiera a los hermanos arcangeles de Beth, Gabriel e Ivy, pero la corte celestial lo averiguara muy pronto y el castigo sera terrorifico: la Septima Orden, los angeles caidos que estan empenados en separar a Beth y Xavier, destruir a Gabriel e Ivy y llevar a lado oscuro a poder angelico de los cielos. Lo unico que pueden hacer Bethany y Xavier para evitar a los Septimos es esconderse a plena luz y mezclarse con mortales de su misma edad. Gabriel e Ivy los envian a la universidad, donde no podran revelarles a nadie su relacion y donde, de todas maneras, se van a encontrar con el peligro en cada esquina. Llamaran a Bethany desde el Cielo para obligarla a quedarse ahi para siempre? Tendra que enfrentarse a la terrible posibilidad de tener que dejar al amor de su vida? / Bethany, an angel sent to Earth, and her mortal boyfriend, Xavier, are back from Hell. They defy Heavenly law and marry. Punishment will come in a terrifying form. The way to elude it is to blend in with other mortals their age. In college they cant reveal their relationship with danger around each corner. Will Bethany be called and face leaving the love of her life?
