

## Stage and the School: Teaching Guide

The Stage and the School offers more of what you've always loved about the nation's most comprehensive high school drama program. More hands-on exercises. More teacher support. More discussion of the conventions of the theatre. More opportunities to creative expression through performance. More connections to the other arts. With all the hands-on exercises and application activities, scenes and monologues, chapter openers and reviews, students are provided with every opportunity for success.
