

The Craps Coach: A Guide to Having Fun Playing Craps with a \$20 Bankroll

Anderson is a retired educator with no gaming background who moved to Las Vegas, Nevada, in October of 1993, when craps quickly became a favorite game at the casino. Initially the game was very intimidating with large stakes; fast action, huge bets and ten times odds required a lot of money to play. Anderson is a recreational \$20-a-game type of player so it took hours of standing and watching to understand the game well enough to last more than thirty seconds in play with only \$20. The Craps Coach is the benefit of this time spent learning how to have fun at craps with only a \$20 bankroll. With The Craps Coach you will find the play strategies non-traditional, exciting, and easy to follow. The Craps Coach will take you through the basics of play to the sucker bets that pay you big money and that create real excitement for your recreational \$20. You will find that it is the best entertainment you can buy in Las Vegas for only \$20!
