

CLEANSING COLON: CROSS OVER FROM DEATH TO LIFE (YOU; DR. HOW TO, ART OF THE LIFE Book 4)

If you want to detox your body, then you need to start with cleansing colon. After years and years of bad dietary choices, our colon starts giving us problems and those problems translate into a number of illnesses. With a colon cleanse you help reduce the formation of new toxic products that are created in the putrefaction of fecal matter into the colon. If you're looking for a complete guide to body cleansing & detoxification or just alternative therapies in general, then this book is something that you don't want to miss. This is a complete guide that is going to help you know everything about cleansing colon, its benefits, its risks, how to minimize those risks and how to live a healthier, happier life. There are a number of procedures and products on the market that promise a complete cleansing colon; however, do those work? Most times, all that those solutions do is to dehydrate you, and, this isn't good, because with dehydration you lose lots of minerals and vitamins that your body needs. If you want to know how to cleanse your colon properly, this book is what you need. The easy-to-follow chapters are easy to understand and give you useful information on alternative therapies and tips that you can apply immediately if you want to have a healthier colon and see a healthier you. One of the best guides available today, this book is going to help you achieve better health and hence live more stress-free which translates into a happier, richer life for you. Don't miss out on the wonders of body cleansing & detoxification. **CLEANSING COLON, Body Cleansing & Detoxification, Alternative Therapies, HEALTH & FITNESS, Gastrointestinal, colon cancer, detox cleanse**
