

# Virgilius evangelisans. Sive Historia Domini & Salvatoris nostri Iesu Christi Virgilianis verbis & versibus descripta. / Opera Alexandri Rossaei Aberdonensis. (1634) (Latin Edition)

EARLY HISTORY OF RELIGION. Imagine holding history in your hands. Now you can. Digitally preserved and previously accessible only through libraries as Early English Books Online, this rare material is now available in single print editions. Thousands of books written between 1475 and 1700 can be delivered to your doorstep in individual volumes of high quality historical reproductions. From the beginning of recorded history we have looked to the heavens for inspiration and guidance. In these early religious documents, sermons, and pamphlets, we see the spiritual impact on the lives of both royalty and the commoner. We also get insights into a clergy that was growing ever more powerful as a political force. This is one of the worlds largest collections of religious works of this type, revealing much about our interpretation of the modern church and spirituality. +++++

This book represents an authentic reproduction of the text as printed by the original publisher. While we have

attempted to accurately maintain the integrity of the original work, there are sometimes problems with the original work or the micro-film from which the books were digitized. This can result in errors in reproduction. Possible imperfections include missing and blurred pages, poor pictures, markings and other reproduction issues beyond our control. Because this work is culturally important, we have made it available as part of our commitment to protecting, preserving and promoting the worlds literature.
