

## Elixir

Winner - Reader Views Reviewers Choice Award, Silver Medal Readers Favorite Book AwardsMeet 14-year-old Sean Malone. He has an IQ above 200, a full-ride scholarship to one of the countrys top universities, and more than one million dollars from his winning streak on Jeopardy. However, Sean wishes he could just be normal. But his life is anything but normal. The US government manipulates him, using him as a codebreaker in pursuit of a drug lord and killing innocent people along the way. For reasons related to his personal security, Sean finds himself in Rome, building a new life under a new name, abandoning academics, and hiding his genius from everyone. When hes 18 he falls in love. The thrills begin again when he learns that his girlfriend is critically ill and its up to him to use his intellect to find a cure, a battle pitting him against a multi-billion-dollar pharmaceutical company and the demons of his past. Elixir is a story about identity, secrets, and above all, love.
