

Mastering ArcGIS

Price: Mastering ArcGIS is an introductory GIS text that is designed to offer everything you need to master the basic elements of GIS. The authors step-by-step approach helps students negotiate the challenging tasks involved in learning sophisticated GIS software. This text employs a carefully developed learning system to help students use ArcView 9.3 or ArcGIS Desktop or higher, to set up and solve GIS problems. An innovative and unique feature of Mastering ArcGIS is its accompanying CD-ROM with narrated video clips that show students exactly how to perform chapter tutorials before attempting an exercise on their own.
