

Inish Carraig

The alien invasion is over. Humanity has been defeated. Belfast teenager John Dray struggles to survive in the devastated city, scavenging food and clothes for his younger siblings. Set up by the local crime lord, he's sent to Inish Carraig, a formidable alien prison. There, he uncovers a conspiracy which threatens Earth and everyone he loves. He has to reveal it. First, he has to get out. An exceptional novel. The pace is incredible with hard hitting characters and a powerful plot. Sffchronicles.com Tight and dramatic throughout. Sfbook.com Onto my pile of best novels of the year. JLDobias, author of the Cripple Mode series.
