

## I Is Someone Else

It is 1966, and the times, they are a-changin. Fifteen-year-old Stephen is on his way to a summer program in France when he meets two glamorous new friends of his older brother, Rob, who has been missing for 18 months. They persuade Stephen to travel to Istanbul with them, to find his brother. And what a world opens up to him: a world of beautiful girls, drug busts, fascinating cultures, fast-moving friendships, and betrayals. As he travels further into Asia, the nature of Stephens journey changes: The search for his brother is replaced by an inner exploration, in which he must confront his own past, and his own dark secret.
