

Optimal Craps 3

28 great strategies (including the bonus strategy and a new note on dice throwing style evolution) that will knock your socks off. The bonus strategy CANNOT lose if the dice stay on the axis! (typically the best dice settings are designed to only have 2 ways to 7 out, so you have a chance of a long streak. This way creates a new goal, that cannot be beaten; IF the dice stay on axis.) Truly Amazing!
