

Creative Nature & Outdoor Photography, Revised Edition

A classic guide to creative nature photography, now updated for the digital world. Amateur and experienced photographers interested in taking more compelling, personal images will love this new edition of Creative Nature & Outdoor Photography, now updated to address the exciting possibilities (and challenges) of digital image-making. Author Brenda Tharp's inspiring approach has garnered fans all over the world, as she teaches that magical skill no camera can do for you: learn how to see. Readers expand their photographic vision and discover deep wellsprings of creativity as they learn to use light, balance, color, design, pattern, texture, composition, and many simple techniques to take a photo from ordinary to high-impact. Featuring more than 150 stunning, all-new images, Creative Nature & Outdoor Photography, Revised Edition is for anyone who understands the basic technical side to photography but wants to wake up their creative vision.
