

Crochet Bathroom Accessories: Give Your Bathroom Some Color and Personality with Crochet

Dorothy Wilks once again brings her fresh designs and ideas to you in her book *Crochet Bathroom Accessories; Give Your Bathroom Some Color and Personality with Crochet*. If you have a basic knowledge of crochet stitches and techniques you will find these designs easy and fun to crochet, and more advanced crochet artists will appreciate the creativity these designs offer. Dorothy shares four original patterns to give your bathroom some color and personality. Easy to understand instructions and clear images help even the beginning crochet artist work up these designs. Special stitches such as the front post double crochet, puff stitch, cluster stitch, and shell stitch are all explained in detail. Dorothy uses a combination of front post double crochet and shell stitches to create a lovely hanging toilet paper holder and dispenser. Two creative toilet tissue covers are included, one using front post double crochet to add lots of texture, and another using five different flower motifs to create a flowering vine toilet tissue cover. If you're tired of dealing with dirty clothes on the floor of not only your bathroom, but in the bedroom too, you'll want to crochet Dorothy's design for a hanging clothes bag. This handy accessory keeps laundry out of sight and ready to grab easily on laundry day. The hanging laundry bag can easily be made larger or smaller to fit your needs. You'll want to make one for each bathroom and bedroom in your home. Don't miss out on Dorothy Wilks' latest addition to her crochet collection. *Crochet Bathroom Accessories; Give Your Bathroom Some Color and Personality with Crochet* contain her original designs to help you add some personality and color to your decor.
