

Cupidity (The Romantic Comedies)

Dating in high school is like reality Tv. It can get pretty surreal. Between the strict social ladder (geeks lockers left, jocks to the right), and silly, pointless rules (no hand-holding, no kissing, no breathing!), high school is the single worst place to find a boyfriend. And Laura Sweeney is no exception. She hasnt had a date since. . .well, ever. Desperate times call for desperate measures. So Laura is calling in the big guns. She needs guidance. A proven get the guy strategy. Luckily she knows exactly the expert to call. Hes a matchmaking mastermind who actually has the bow and arrow to prove it. Lets just call him. . .Cupid.
