

Darcy Swipes Left (OMG Classics)

Pride and Prejudice, one of the greatest love stories ever told . . . in texts?! Imagine: What if Lizzy Bennet and Mr. Darcy had smartphones and dated IRL (in real life)? A classic is reborn in this clever adaptation of Jane Austens Pride and Prejudice! A truth universally acknowledged: a rich guy must want a wife. A terrible first impression. A couple thats meant to be . . . if they can just get over themselves. #hatersgonnadata Dont miss: Lydia taking selfies with soldiers, Mrs. Bennets humble-brag status updates, Lizzy texting from her long walks, and Darcy swiping left on a dance card app. tl;dr Jane Austens most famous novel told through its characters texting with emojis, posting photos, checking in at locations, and updating their relationship statuses. The perfect gift for any teen (or any reader with a sense of humor)! A glossary and cast of characters are included for those who need it. For example: tl;dr means too long; didnt read.
