

Deception (Defiance Trilogy)

A rich postapocalyptic YA fantasy perfect for fans of Graceling and Tamora Pierce, this sequel to C. J. Redwine's Defiance continues the story of warrior Rachel Adams and her love, Logan McEntire. With their city-state ravaged, their lives threatened by rival armies, and a band of survivors looking to them for leadership, Rachel and Logan must work to forge a new future for them all. Abandoning the ruins of their home to take their chances in the Wasteland, the group soon realizes their problems have only begun: an unknown killer possibly inside their ranks has begun picking off the survivors one by one. And Rachel and Logan must question whether the price of freedom may be too great and whether they can make it out of the Wasteland alive.
