

Diamond (The Divas)

Diamond. India. Veronique. Aaliyah. What does that spell? DIVA!! The Divine Divas. They're fifteen and they're fine, and they want to be the hottest, hippest new girl group to hit gospel music. First they'll have to win the team talent competition. But with looks, energy, and voices like theirs, they are sure they'll go right to the top. Diamond Winters is the one who formed the Divas. With her wealthy, loving parents and an endless supply of charm, she's always been able to sweet-talk her way into anything. But this time, has Diamond talked her way right into trouble? Diamond has support for her group from her family and church, but she has a lot going on. She's made it onto the school's varsity cheerleading squad, and she's caught the eye of the totally cool senior Jason Xavier. Jax is sweeping her off her feet, but Diamond is starting to feel as if she's in over her head. Diamond has always been so sure she's in control. Will she have the courage to ask for help and guidance when she needs it? And will the Divas even manage to stay together long enough for the first round of the talent competition?
