

## David Buschs Quick Snap Guide to Photo Gear

Get ready to take your digital SLR photography to the next level with David Buschs Quick Snap Guide to Photo Gear! Inside this book youll find all the useful gadgets and accessories you need to expand your photographic repertoire and explore new kinds of photography. Organized into easy to browse chapters that each cover a different type of gear, it includes a helpful introduction to everything from tripods to camera bags to filters to flashes to memory cards, and everything in between. And to help you choose the best gear for you, youll find information on exactly what you should buy and why you need it. The book cuts through the confusion so you can select the perfect tools for the kind of photography you want to do. Laid out in two- to four-page spreads, youll find explanations of each product as well as full-color images to help illustrate and explain their uses and benefits. David Buschs Quick Snap Guide to Photo Gear provides you with everything you need to know to get started right away using helpful gear and accessories to enhance your photography skills and take compelling photos.
