

## Dont Fear the Reaper (The Death Chronicles) (Volume 1)

The day Nick Ramsays eighth-grade teacher drops dead in his classroom, Nick sees his first reaper. When another cloaked figure appears at his grandmothers bedside, Nick issues an order for the vile creature to leave her alone. This simple act of defiance creates a domino effect that brings Fate and Death to Nicks door and reveals his true lineage, throwing his world into chaos. To make matters worse, a group of rogue reapers declares war on humanity and Nick is the only one who can stop them.
