

## Dont Tread on US: Signs of a 21st Century Political Awakening

In an era of confusing signals about our economy, culture and foreign policy, rising signs of patriotism ring out loud and clear. Dont Tread on US! is a collection of the best images from these parties: the angry voters who craft homemade signs for display. Between the covers of this instant classic is a sweeping pictorial record of America at her finest - standing for the same principles our forefathers stood for and were willing to fight for.
