

Granny Square Flower Garden: Instructions for Blanket with Choice of 12 Squares

A granny square is a piece of square fabric produced in crochet by working in rounds from the center outward. Granny squares are made separately and then assembled to create a blanket. Since you work on small pieces one at a time, this technique is perfect for those who are new to crocheting. A crocheting basics section provides techniques, abbreviations, and the instructions needed to make the 12 granny square projects included in this step-by-step booklet.
