

Down Time

When fifteen-year-old Ethan Morten is taken hostage in a bank robbery in Jackson Hole, Wyoming, he finds himself sent back in time to 1926 -- with his twin sister Lisa leading a select team of classmates in hot pursuit, attempting a dramatic and dangerous rescue. Along the way, the group encounters a pack of wolves in the wilderness, a Crow Indian who wandered in from the 1880s, a vacationing John D. Rockefeller, a gunfight in an Old West saloon, and an unexpected romance between Ethan and a fifteen-year-old pioneer girl from 1926.
