

Elliotts Talking Dog: And Other Quicksolve Mini-Mysteries

Criminals beware--and young readers delight: Dr. Jeffrey Lynn Quicksolve and his friends are back in a brand new collection of intriguing mini-whodunits. Its no mystery why kids love these clever and fun detective stories, in which they can test their smarts against such experts as the brilliant Professor of Criminology, Quicksolve; his son Junior; and super-sleuth Elliott Savant. Among the puzzling cases: Stickup at the deli: are the suspects innocent campers, as they claim...or did they grab the money and flee down the freeway? Maybe their car will tell the truth. Murder at the jewelry store: The killer may not have been caught on the video camera--but the tape may hold a valuable clue, anyway. Every one is fun to solve!
