

Emmeline Pankhurst (Leading Lives)

An exploration of the life and achievements of Emmeline Pankhurst. This book examines her early years, studies and interests and then assesses her life, its low points and their legacy. An underlying theme throughout the Leading Lives series is to look at whether an individual can change the course of history. The book contains: feature panels detailing the lives of colleagues and rivals; a timeline and maps; further reading and websites; a glossary and index.
