

Encore Provence: New Adventures in the South of France

After trying--what a folly!--to live in other places, Peter Mayle is back in his beloved Provence. He celebrates his homecoming by sharing with us a whole new feast of adventures, discoveries, hilarities, and culinary treats, liberally seasoned with a joyous mix of Gallic characters. The pauses for refreshment include an unforgettable meal in a converted gas station, a rendezvous with the very best bouillabaisse, and visits to eventful weekly markets. But there is life after lunch, and we also discover a school for noses in haute Provence, a gardener who grows black tomatoes, the secret of the oversexed butcher, a celebration of Alouine (Halloween) Provence-style, and the genetic effects of two thousand years of foie gras. There is a memorable tour of Marseilles, a comprehensive lesson on olive oil, a search for the perfect corkscrew, and invaluable recommendations for splendid local cheeses, wines, honey, bread, country restaurants, and off-the-beaten-track places to stay. Never has Peter Mayle written with more unabashed pleasure about his heaven on earth. Simon Jones has appeared in the films *The Devils Own*, *Twelve Monkeys*, and *Miracle on 34th Street* and on television in *The Cosby Mysteries* and *Murder She Wrote*.
