

The French Revolution (Enquiring History)

This title covers the turbulent history of France from 1774 to 1802 and the revolutionary events and larger than life individuals whose ideas and actions sent shock waves around Europe. Each enquiry tackles a discrete topic which together build a rounded and balanced picture of the causes, the course, the consequences, and the historiography of the revolution. As William Doyle puts it: There are few periods in history when so many benevolent intentions led to such unintended chaos and destruction, ...How and why did this happen? What can we learn from it? What has the French Revolution got to say to us today?
