

# Europe in Search of Political Order: An Institutional Perspective on Unity/Diversity, Citizens/Their Helpers, Democratic Design/Historical Drift and the Co-existence of Orders

This book deals with ongoing processes of European cooperation and integration, processes that may have a potential to change the political organization of Europe. Based on ideas from the new institutionalism the book offers a systematic perspective on institutional change and in particular the role of institutions in relation to four central and durable issues in the study of political life.
