

Buffy the Vampire Slayer: Chosen

BIGGEST BADDEST BUFFY OF THEM ALL The First has come to Sunnydale and set its sights on taking down the Slayer. On the side of the White Hats: Buffy, Xander, Willow, Anya, Dawn, Giles, Spike, Faith, Angel, and an assortment of young, innocent, untried Potentials. In this season-spanning storyline, Buffy Summers will learn about the primeval origins of her own strength, and have the opportunity to train those would succeed her. And as the forces of evil find their way back to the Hellmouth -- where it all began -- the Slayer will uncover what being the Chosen One is all about: Power. Shes laid down her life -- literally -- to protect the people around her. This girl has died, two times, and shes still standing. Youre scared, thats smart. You got questions, you should. But you doubt her motive, you think Buffy is about the kill...then you take the little bus to battle. Ive see her heart -- this time not literally -- and Ill tell you right now she cares more about your lives than you will ever know. You gotta trust her. Shes earned it. -- Xander, Dirty Girls
