

Mel Bay Everything You Wanted to Know About Clawhammer Banjo: A Complete Tutor for the Intermediate and Advanced Player

One of the worlds top players addresses nearly every aspect of the popular 5-string banjo style known as clawhammer or frailing. Chapter themes include fundamentals; advanced and experimental techniques; arranging and backup; how to play reels, hornpipes, jigs and other fiddle tunes; how to approach such genres as ragtime, bluegrass, klezmer, blues, calypso, and a wide variety of national and regional music; alternative tunings; setup and accessories; and historical background. Features 120 tunes along with numerous exercises and musical examples in crystal clear tablature; all tunes illustrated by author on two accompanying CDs.
