

My Gay Roommate (M/M First Time Erotica)

Will was happy with his roommate Chase. Even the loud, passionate sex that Chase had with his boyfriend every week wasn't too bad. In fact, one night while laying in bed while the two were going at it in the adjoining room, Will realized it was actually kind of hot. Will is straight, so he tries to ignore the thoughts of Chase in bed with him instead of Aidan. However, everything changes when Chase gets dumped and he runs into the arms of his roommate for comfort. After a desperate, needy kiss that night, Will can't ignore his feelings any longer. When Will confesses his crazy lust, will Chase be willing to be his straight roommate's first man?
