

Another Hairy Tail (A Hairy Tail Series Book 5)

Please note: this is a novelette. Short fiction is a fun and quick read, not a full length novel. Hannah, Veronica, Coco, and all the animals are back for another summer of fun, fur, and felines. Three years after the summer Hannah met Harry at the Mapleton Animal Shelter, she has now graduated high school and landed herself an internship at the Mapleton Regional Zoo. Determined to learn as much about the animals as possible during the summer before she starts College, Hannah throws herself into her new role. Yet there are a few surprises in store for her, only one being the highly distracting zookeeper Logan. Not to mention a blast from the past. Teeth, paws, and claws abound in this new series based on the original Hairy Tails. Continue on with Hannah's story as she learns a lot about herself and her heart.
