

The Adventures of Pinocchio

Pinocchio is a novel for children written in Florence. The first half was originally a serial between 1881 and 1883, and then later completed as a book for children in February 1883. It is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father, a woodcarver named Geppetto. It is considered a classic of childrens literature and has spawned many derivative works of art.
