

Finders Keepers

When 16 year-old Lufuno leaves Jozi to start a new life in Cape Town with her family, she is running from her past. She doesn't realise it's about to get even tougher. She is bullied at school for her dark skin and her Venda heritage, and her Parents are not happy about her friendship with Mandla, a Xhosa chief's son. When a strike at a factory where her parents work turns violent, it seems as though her whole world is about to explode.
