

Fingerboard Workbook for the Fourth Position Map the Violin for Good

How can you learn to play the violin when there are no indications of where the notes are on the fingerboard? This is a violin instruction workbook that focuses on the fourth position. Students practice reading violin music and then learn to find where those notes are on the violin. Through this violin method, students will internalize the fingerboard by experiencing it visually, kinesthetically and aurally. See the notes, hear the notes, feel the notes. Whether you are a violin beginner or advanced, a child, kid or adult, this could be considered a Violin for Dummies violin music book. Truthfully, its a Violin for Smartys music book! You will get the tools you need to effectively learn the notes of any violin sheet music or Suzuki violin music. The Fingerboard Workbook for the Fourht Position Map the Violin for Good is book 4 of a 7 part series. The series covers the fingerboard from 1st to 11th positions. www.fingerboardworkbookseries.com
