

Fire! Fire! Said Mrs. McGuire

Smoke is rising in the city, but help is on the way. Join the rescue brigade on a wild adventure at the scene of a most un-expected fire! A lively rhyming text, hilarious illustrations, and an outrageous cast of funny females will keep children laughing all the way to the surprise ending. From beginning to end, Egielskis rumble-tumble stage business and inventive subplots combine with Martins comic puns and rhythmic verve to make this picture book a five-alarm delight.--Publishers Weekly
