

Flyfishers Guide to Arizona (Flyfishers Guides)

Arizona has a myriad of great trout streams that are overlooked and under-fished. The Indian reservations also provide outstanding flyfishing opportunities for trophy trout. Noted flyfisher, Will Jordan, spent years fishing Arizona. He covers in detail Lees Ferry, the Colorado River watershed, the Verde River watershed, the Salt, Little Colorado, and Gila watersheds and their many waters. The Williams lakes, Flagstaff area lakes and the warmwater fisheries are also covered. There are over 39 detailed river maps, as well as hatch charts, recommended flies, and travel information to help you plan your next flyfishing trip to Arizona. The Flyfishers Guide to Arizona is the 30th book in our flyfishing guide series.
