

The Retard Test: Interactive EBook Game

Do you want to play a game that will give you a few minutes of guaranteed absolute fun? How convinced are you that you're not a retard? How smart are you? If you are smart, then playing this game should be fairly easy for you--if you're brave enough to try it. This game app can either prove you're smart or a retard. Either way, it is guaranteed pure fun that you might not care if you ended up a retard or not in the end. And if you're witty enough to answer all the retard questions, you can dare your friends to a challenge of Retard or Not! Special Features of this fabulous app includes: Logical questions that can make you lose your logic. The right answer that can also be the wrong one. The wrong answer that can also be the right one. Questions designed to make you insane. (You're not supposed to know this.) Questions that will make you laugh like silly. Or will make you slap each other silly if you're not alone. Questions that should be treated very, very carefully. Okay, I'm just pulling your leg here. (Actually, I'm not.) Questions that will make your brain hurt. (Because you're trying to prove how smart you are.) Questions that will make you laugh out loud, even if it makes a retard out of you. All in all, the secret to a happy few minutes is here, and it can last a lifetime. Fortunately, the effect lasts a lifetime, too. (Unfortunate if you ended up a retard.) Of course, there is much, much more! We know that life nowadays is very busy and stressful--all the more reason for you to try this special limited-edition game app for your Kindle. It's such a short game you'll never even realize it's over. There is nothing like laughter to give the best relief from stress so playing this game can be the best break you can give yourself. Pick answers to questions like: You hear a clock, what can you see? Why did the road cross the chicken? What happens once in a minute, twice in every moment, yet never in a thousand years? Download it today!

And take a moment to answer the questions. If you happen to be witty enough to persist till the end, then you can slap your wits goodbye! Or you can experience those few minutes of absolute pure fun alone or with your friends. You wont regret it. Click Download Now
