

## The Winning of the West, Volume 3: The Founding of the Trans-Allegheny Commonwealths, 1784-1790

The material used herein is that mentioned in the preface to the first volume, save that I have also drawn freely on the Draper Manuscripts, in the Library of the State Historical Society of Wisconsin, at Madison. For the privilege of examining these valuable manuscripts I am indebted to the generous courtesy of the State Librarian, Mr. Reuben Gold Thwaites; I take this opportunity of extending to him my hearty thanks.
