

## Secret (Futanari Erotica)

You are forbidden to see any boys... Olga was happily living out her childhood as a young girl in The Soviet Union, just before the start of the second World War. She was in love with a young military boy, Slavik. One day, after the two lovers meet and share a kiss, Olga's mother takes Olga and leaves for Ukraine, seemingly without reason. But, unknown to Olga, her mother is hiding a secret from her daughter. Eleven years later, Olga is going to discover just what that secret is. Secret is a touching and hot 7,500-word story about a transgender born girl as she discovers her own body. All the characters participating in sexual acts in this book are over the age of eighteen.
