

Werewolf Professor (Gay Paranormal Erotica)

From the minute shy gay guy Simon met his college professor Tom Wright, he was attracted to him, but never thought anything would happen between them. After a heinous night and even more hectic next day, he is late handing in an essay, and as he races to hand it in, he discovers that underneath his professors impossibly-handsome face, he has a sinister secret; he is a werewolf, and for months he has wanted Simon. He has held off, knowing that he shouldn't, but he can't wait any longer will Simon be able to deal with his real identity and give in to his werewolf needs and desires? This 7000 word short story contains explicit descriptions of sexual activity between a shy gay guy and a sexy werewolf, and is intended for mature audiences only! All characters are over the age of 18.
