

Second Chance (Gender Transformation, Feminization Erotica)

Consider it a... Second chance... --- Roxy Jakes has been having strange nightmares lately. Every night, the nightmares seem to be getting more and more vivid. She's also been noticing things in her waking life that are... Different. As the pieces of the puzzle begin to come together, Roxy realizes that things aren't quite as they seem. And perhaps, she isn't exactly as she seems. Who is Roxy Jakes? Second Chance is a hot 5,500-word erotica story, packed with juicy gender bending and fierce feminization. All the characters in this work of fiction are over the age of eighteen.
