

# A BEGINNERS INTRODUCTORY GUIDE TO FLY FISHING

This book was written with the express purpose of guiding the novice angler or newcomer through the basic steps of becoming a proficient fly fisherman. The content is a compendium of fly fishing knowledge and experiences gained by the author over a fifty year period. The various chapters will guide you through the tackle you require and how to use it, when and where to fish, plus hints and tips for success. Chapters on game fish habits and habitat, cooking your catch, safety and conservation.
