

# Mathematics, A Step-By-Step Approach Homework Booklet, Grade 6 (Homework Booklets)

With Mathematics: A Step-By-Step Approach, Grade 6 Homework Booklet students will love building their mathematics skills while completing the fun activities in this great book! Divided into three steps: multiplication and division, decimals, and fractions and features fun activities that will keep students interested and motivated while learning at the same time. The activities become increasingly more challenging as the book progresses, ensuring that students are always being challenged.

Features: A pull-put answer key in the center of the book to make checking answers quick and easy.

This book is intended to be completed by the student with little or no help from a parent or teacher, which makes it a great resource for use at home or school.

Our extremely popular Homework Booklet series is a must have for any student!

Great for reinforcing, reviewing, or teaching specific skills these booklets feature step-by-step practice drills with easy-to-understand directions and highlighted examples. With over 85 titles for children in preschool to high school and covering all key subjects including math, reading, social studies, grammar, foreign language, and more, students will find the extra practice they need to succeed in all subjects!

Help your student today and collect all the titles in this amazing series!
