

The War of the Worlds (Graphic Revolve: Common Core Editions)

In the late 19th century, a cylinder crashes down near London. When George investigates, a Martian activates an evil machine and begins destroying everything in its path! George must find a way to survive a War of the Worlds. These reader-favorite titles are now updated for enhanced Common Core State Standards support, including discussion and writing prompts developed by a Common Core expert, an expanded introduction, bolded glossary words and dynamic new covers.
