

The Buckland Romani Tarot and Card Deck

Capturing the strength, passion, beauty, and magic of the Romani/Gypsy culture, the Buckland Romani Tarot takes your psychic power to new heights through mystical symbolism and authentic gypsy imagery. The deck was created by legendary occult expert and author Ray Buckland, grandson of a real gypsy king, and illustrated with the rich artistry of the talented Lissanne Lake. The original deck has become a rare and highly prized collectible since its first printing but right now, in a quality reproduction that preserves every bit of the Buckland Romani Tarot's original splendor, a limited quantity of this treasured deck is again available. Ray Buckland moved to the United States from his native England in 1962. His books are numerous, including the classic Bucklands Complete Book of Witchcraft, Doors to Other Worlds, Amazing Secrets of the Psychic World, and Gypsy Witchcraft and Magic.
