1. A Surprise from the Boys: A Wife Swap Erotica Story by Amy Dupont Francine and I never expected our husbands would simply switch without ever telling us their plans. That's what happened, though, and before we knew it my husband was on top of her and her husband was on top of me! We could have put an end to it, but once we got started, it all felt too good to say, No.
2. How Rough Sex Got Me into Show Biz: An Office Sex Erotica Story by Angela Ward Allison sometimes wonders why she majored in performing arts when there just aren't a lot of jobs out there. Still, she lands an interview for a position as a magician's assistant, and she's determined to get the job. By determined, we mean she's ready to give up anything she has to. That's good, too, because what she's going to have to give the manager is a scorching session of rough sex!
3. Jessica Is All Mine: A Rough Sex Erotica Story by Nycole Folk I met my young beauty online, and when we first saw each other in person, nervous sparks flew. She didn't know it yet, but she was going to be mine. I would have her. I would take her. I would take her and she would beg for more. I was right, kind of. It turned out that she definitely wanted me to take her and take her hard, but it didn't take long before I was the one begging for more.
4. Julie and Mary Seal the Deal: A FFM Office Sex Erotic Tale by Sarah Blitz Julie and Mary had just lost their Editor Mark who was leaving to follow his Fiance to the other side of the pond. The gals were struggling to fill the vacancy for

several reasons, but mainly the shoestring budget they were on. Once Peter applied, the girls had to find a way to get him to commit to work for less money, after that interview, I think he may work for free! 5. My Boss Wants To Bend Me Over!
