

World War I (U.S. Wars)

MyReportLinks.com Books now offers a complete library of books written about each of the major wars the United States has fought. The U.S. Wars books offer an overview of the causes, participants, leading political and military figures, and battles of wars Americans have waged since colonial times. These books contain a facts page, chapter notes, a further reading list, and an index. The Report Links take the reader to the best Web sites, source documents, and photos related to each conflict. This series is now complete as a 14-book package.
