

Sail away from the rat race: How to buy and live on a canal boat with only a small budget

This book is aimed at anyone who is thinking about buying a canal boat to live on and escape the rat race but who has a limited budget. In this book you will find advice on how and where to find your boat, advice on moorings for your boat, what the basic running cost are likely to be and tips and hints that may help to make the transition to your new lifestyle much easier.
