

How to Marry an Alien: My Alien Romance #3

Alexs interstellar relationship has finally been sealed in the eyes of the human world, so now she can move on to her next step: college. With Ace by her side and a new piece of jewelry on her finger, she thinks she is ready for anything. Well, almost anything. Her new roommate holds a dangerous link to her past that Alex isnt sure if she can handle. Then there is the whole alien fiance thing. Every time she tries to get closer to Ace, he seems to pull further away. Top that off with a full summer class load and a few more alien attacks and its just another day for Alex. Except this time she isnt sure if marrying an alien will be the happy ending shes hoping for.
