- * The best ways to catch your opponent off-guard in a street fight.
- * What to do if your enemy catches you off guard.
- * Explosive close combat fighting techniques.
- * Devastating combinations combining all of the bodies weapons (hands, feet, knees, elbows etc.).
- * How to put your opponent(s) on the ground and the safest way to land in case the same happens to you. Simple to Use Self-Defense Techniques That Actually Work!
- * How to escape common holds including common chokes.
- * How to put (and keep) anyone on the ground in under 3 seconds.
- * How to achieve maximum power in all your strikes.
- * What to do when faced with multiple opponents when street fighting.

Learn all the above essential street fighting techniques and much more with step by step instructions combined with simple and clear pictures. Get your copy of How to Win a Street Fight NOW and be

unstoppable in any street fight! How to Win A Street Fight Bonus Get access to all the latest Survive Travel publications FREE! Check Out What Others are Saying About How To Win a Street Fight ***** Great book with illustrations and vivid instructions. - A. Martin. ***** Superb Resource! - David. ***** All the techniques you'll need to win. - Jamie. ***** This is probably the best book on street fighting that I have ever read! - Joseph Dewey. ***** I found this book full of details and it explains all the moves with pictures to show you if you are doing them right or not which is always a plus in my book. I bought this book because I need to learn how to defend my self with going out on my own. There were so much information in this book that I still go back to it and work on some of it just so I know I got it all. This is a great book really loved it. - Amazon Customer. ***** This book provides a fun and interesting way to self defense while at the same time being a strategic fighting guide. It also enables you to protect yourself in case you are caught in an emergency situation where all you are left with is to protect yourself with your own physical strength and some strategies. It is here that this training and tips can come in real handy. It teaches you the basics of attack in fight like which areas to target for causing maximum damage with minimum effort. - Preethi.
