

## 10 Steps to Girlfriend Status (The Bird Face Series) (Volume 2)

Without knowing or caring where I'd wind up, I sneaked out of the house and took off running. Wendy Robichaud is on schedule to have everything she wants in high school: two loyal best friends, a complete and happy family, and a hunky boyfriend she's had a crush on since eighth grade--until she and Mrs. Villaturo look at old photo albums together. That's when Mrs. V sees her dead husband and hints at a 1960s scandal down in Cajun country. Faster than you can say crawdad, Wendy digs into the scandal and into trouble. She risks losing boyfriend David by befriending Mrs. V's deaf grandson, alienates stepsister Alice by having a boyfriend in the first place, and upsets her friend Gayle without knowing why. Will Wendy be able to prevent Mrs. V from being taken thousands of miles away? And will she lose all the friends she's fought so hard to gain?
